

Registration Form

The 45th AFEAF congress will be held on the scheduled dates (May 13 to 15, 2021), no matter how the health context evolves.

Everything is planned to ensure that the scientific exchanges will take place either in person (which we all hope for) or, if the situation imposes it, by videoconference.

Congress news will be regularly posted on the AFEAF blog and on the website of the City Council and Museums of Gijón:

<https://afeaf.hypotheses.org/> ou <https://www.gijon.es/es/eventos/45-coloquio-internacional-de-la-afeaf>

Given the current conditions, registration for the AFEAF conference will exceptionally take place in two stages: the mandatory registration distributed in the coming days and then in April registration for the conference activities (excursion, meals, gala meal).

Registration to the conference is **free** for speakers (papers & posters) and people up to date with their AFEAF membership for the current year.

Please note, for the people interested, the AFEAF membership must be paid separately from the conference registration, by bank transfer and using the membership registration form:
